

Portrush Atlantic Hotel

Covid-19 Policy

Due to the uncertain nature of the environment we are currently operating in, we reserve the right to withdraw or amend any booking or pricing to ensure the event complies with current government guidelines including social distancing. This is with the safety of our teams and our guests front of mind. We will endeavour to give 30 days' notice where possible.

We understand that clients may feel uncertain about booking future Groups & Meetings at this time & want to provide reassurance that you can make the right decisions to book your future events with comfort.

We are therefore introducing a simplified and more flexible cancellation policy for future Groups & Meetings bookings booked from 14th April until further notice which take place between May and 30th Nov 2020: The following percentages of the total amount pre-booked will be charged:

**.
If cancellation occurs more than 4 weeks before
an event, cancellation is free of charge**

**.
If cancellation occurs 2 - 4 weeks before an
event, cancellation is 50% of total charges**

**.
If cancellation occurs 0 - 2 weeks before an
event, cancellation is 100% of total charges**

**NO CHARGE will be made if the venue can
be resold for the same date(s) at a similar fee.**

**When calculating the above periods, the
actual day(s) of the event will not be taken into account**

Should it be necessary for the hotel to make any changes to the terms or pricing of your contracted event which no longer makes the event viable for the you, then it may be postponed or cancelled at any point without charge.
