GUEST INFORMATION PLAYBOOK

WELCOME BACK!

We are delighted that we can remain open and that our team can welcome you for a brief escape from it all in the safest way possible.

Our primary concern remains to be the safety of our team and guests, so we will be operating in line with NI Executive guidelines for social distancing and safe operations.

To prepare you for our NEW NORMAL we have laid out what your guest journey will look like in the following slides. Please take the time to familiarise yourself with our new procedures ahead of your arrival date and if you have any questions, just ask!

PRIOR TO ARRIVAL

- Please note ahead of time that face coverings are mandatory when entering and moving around the hotel public areas.
- If you have any worries or queries ahead of time please feel free to contact us and our reception team will be happy to answer any questions you may have.

HOUSEKEEPING
& MAINTENANCE

Check-in will be carried out with no contact and you will receive your room keys inside a sealed information envelope. If you have any queries, we ask that you call reception from your room once checked in. This can help minimise foot traffic in the lobby.

Housekeeping team members have been fully trained on our new cleaning standards and practices before reopening.

Going forward our standard practice will be not to clean a room or carry out any maintenance service with the guest inside for the safety of our team members and guests. We will continue to clean the guest room to a high standard with enhanced cleaning and disinfecting on the touchpoints in the room. If you are staying more than four nights and would like your room serviced please call reception and let us know.

You will be asked on arrival to **book a table** for breakfast and if desired **make dinner reservations** - we recommend making dinner reservations prior to arrival.

Let's talk breakfast

There is no better start to the day than a good fry up.

Breakfast is served in the restaurant between the hours of 7:30am and 10:30am and includes a full cooked breakfast. Due to the reduced capacity in our restaurant we ask you to book a time slot at check in. Slots available are 7:30am, 8:30am and 9:45am. You have an allocated time of 40 minutes, this allows for cleaning between sittings and helps us keep you and our staff safe.

DINNER & DRINKS, YOU SAY?!

We are delighted to be re-opening our restaurant, the Port Kitchen & Bar for food service from 1st June. We are taking all necessary measures to minimise contact, ensure high hygiene standards and practice social distancing in our restaurant by implementing the following steps:

- Tables have been positioned the required 2m distance apart, in line with the latest government guidelines.
- Restaurant reservations will be booked on a first come/first serve basis and will have a 1 ½ hour time limit. We recommend booking in advance to avoid disappointment. Guests can make a table reservation by contacting the front desk on 02870826100.
- Bar tables are offered on a first come/first serve basis and have no time restrictions.
- A maximum of six people can be seated together. Children aged 12 and under are not counted in the total. More than six will be permitted if they all belong to a single household, as long as it is not more than 10. Children aged 12 and under are not counted in the total.

Dining Times:

Breakfast 7.30-10.30am

Lunch 12.00-4pm

Dinner 5.30-9.30pm

In line with government legislation, face-coverings are now mandatory in all public spaces within our hotel to prevent the spread of Covid-19 and protect all guests and team members.

Goodbye for now

We have completely streamlined our check-out procedure to minimise contact and reduce waiting times.

All we ask is that you pop your room keys into the check-out box at reception upon departure.

Any additional charges remaining on your account will be charged to the card on file.

If you have any questions you wish to ask before leaving we ask that you call reception from your room prior to departure
